The Reverend Edward A. Maziarz, C.P.P.S.

St. Joseph's College

Collegeville, Indiana

Reverend dear Father:

As you will see by the enclosed, there are a number of items relating more or less information about the beginnings of St. Joseph's, Rensselaer.

It may be that some of the letters are not important to warrant having photostatic copies made of them, and you will find the references you need can be noted for your purposes.

For your convenience in returning the papers when you have finished with them, Reverend Father, I am enclosing a list of them according to date. I am confident you will take good care of them and see that they are returned safely.

Trusting the material will answer your purpose, and with all kind wishes, believe me, Reverend Father

Respectfully in the Blessed Sacrament,

Mother M. Anselm

Mother General
